

REMARKS

Applicants submit the claim amendments contained herein, filed after the Notice of Allowance. Applicants have made an amendment to claims 30 to correct typographical error and claim 40 to insert a word inadvertently left. Applicants maintain that allowance of the amended claims requires no substantial amount of additional work on the part of the Office. Applicants further maintain that the amended claims should be found patentable without the need of an additional search or examination since the amendment merely corrects a typographical error.

CONCLUSION

Accordingly, Applicants respectfully request entry of these amendments. The Commissioner is authorized to charge any fees to Deposit Account No. 23-2415, referencing Docket No. 34569-716.831. If the Examiner believes, for any reason, that personal communication will expedite prosecution of this application, the Examiner is invited to telephone the undersigned at (858) 350-2231.

Respectfully submitted,
